

Dear School Official,

The Greater Flint African American Sports Hall of Fame awards two scholarships each year to a senior African American male and female student-athlete. The scholarships are sponsored by former Flint Area standouts Linnell Jones-McKenney (female) and Mark Ingram II (male) and are awarded to the most outstanding African American male and female student-athlete in the Flint area.

The scholarships will be awarded at the Greater Flint African American Sports Hall of Fame Banquet, scheduled for Sunday, March 24, 2019.

We are asking each high school Athletic Director to submit the name of a male and female student-athlete. To be considered, the following application must be submitted by Friday, February 1, 2019 along with a digital photo.

Note: Grade Point Average is important but it will not be the determining factor for the winner. We appreciate your participation.

Thank you for all your support,

The Greater Flint African American Sports Hall of Fame
Scholarships Committee

Please send a digital photo and application via E-mail to: info@gfaashof.org
