# OFFICIAL STATEMENT

**January 24, 2022**

Considering the ongoing covid-19 pandemic and the overwhelming rise of cases in our area we have decided to **Postpone** our 37<sup>th</sup> Annual Greater Flint African American Sports Hall of Fame Induction Ceremony which was due to take place this year in March. We apologize for any inconvenience that this announcement may bring but we feel this is the right thing to do to protect everyone's health and safety.

We will continue to monitor this situation and will have more information on a potential new date for the induction ceremony in the future. We are beyond thankful for the support that we have received from the Flint area community and look forward to continuing our celebration of African American Flint area athletes & coaches in the future.

More up to date information on the postponement of this year's induction ceremony, along with information on upcoming events can be found on our website, **[gfaashof.org](http://gfaashof.org)**.

Thank you as always for your continued support of The Greater Flint African American Sports Hall of Fame and we hope to see you at future events!
